## Tiny Homes Construction

Experience the magic of living small with our expertly crafted tiny homes. Our team of skilled builders and architects specializes in creating compact yet comfortable living spaces. Whether you're looking for a weekend retreat or a full-time residence, our tiny homes are designed to maximize space without compromising on style.

## Cabin Construction

Escape the hustle and bustle with our custom-built cabins. Nestled in nature, our cabins offer a perfect blend of rustic charm and modern amenities. From traditional log cabins to contemporary designs, we create retreats that allow you to connect with the serenity of the outdoors.

## Small Space For a Permanent Residence

All cabins can be made to 3.4m wide at an extra cost. GST not included in these prices

We can also custom build your cabin to your size anywhere from 3m to 15m in length and 3m to 4.4m in width so what ever suits you best. However anything over 3.4m in width will require escorting pilot vehicle for transportation at extra cost please inquiry for quotation

These prices reflect cabins being built upto lockup stage so basically just a shell NO interior lining. However we also do all interior fitouts just tell us what you want and we can supply you with a quotation for turn key stage (fully completed).

### INCLUDES

2x windows at 900 High x 1200 or similar. 1x Sliding door at 2100 High x 1810 Wide.

Engineering certificates (form 15) with drawings for council approvals.

- Your choice of colorbond colour
- You can customise windows/doors sizes and location
